## FRANCE & COLONIES ENORMOUS STOCK DISPLAYED IN 31 RETAIL BOOKS

- 187 ★◎ Massive Dealer Stock of France & Colonies** An extensive and impressive lot as received, organized in thirty-one 3-ring binders. The stock runs from early Classics to Back-of-Book plus French Colonies. Adding up only the retail prices yields a substantial grand total of \$200,132; Scott value is obviously much higher (a detail listing with breakdown total for each binder is available and included with the lot). There are three sections of interest: 1) Regular issues (\$80,468); 2) Back-of-Book (\$78,848); and 3) Colonies (\$40,816). This lot begins with six books containing strong representation of Ceres and Napoleon issues, a high percentage are used with an excellent range of "petits et grands chiffre" dotted cancels; one book has only Paris Star numeral cancels from "Sage" type definitives to Back-of-Book, including semi-postals, airmails, postage dues, military stamps, precancels, newspaper stamps, telegraphs, booklets (particularly Red Cross), imperforate with focus on post-WWII issues, some proofs and trial colours, good showing of Alsace and Lorraine issues of 1870-1872, plus various odds & ends. These are often shown with both mint and used examples, sometime multiples, shades, varieties, choice postmarks, etc. Light to moderate duplication with a range of grading and condition (i.e. LH, NH, used), another plus is that there is insignificant value after 1964. French Colonies General issues in one binder and followed by Offices Abroad to Colonies and Territories - Afars and Issas to Wallis and Futuna Islands in seven binders, mainly pre-Independence but includes many elusive gold foil stamps and higher valued topical sets. Condition ranges from faulty, visible notably on pre-1900 issues to clean very fine, which is of course customary for such a dealer stock. Moreover all are organized, identified, priced and ready for resale. A fantastic lot offering great potential for breakdown into lucrative smaller size lots; also ideal lot for a show or internet auction dealer who has the time to process hundreds of stamps. **Est. 20,000.00+**
- 188 ◎ FRANCE 1849-1977 Used Collection** Housed in two green Lighthouse two-post albums, all used, starting with 87 Ceres / Napoleon issues including shades, "Sage" 1876-1990 is extensive, also a few hundred different thereafter. Overall quality varies from mixed to Fine; a good starting point for continuation. *(Not Illustrated)* **Est. 600.00+**

- 189 ★ **GERMANY B58, 1933 5pf-50pf Nothilfe Overprinted "1923-1933"** Full-size souvenir sheet of four, stamps are well centered with full white OG, slight trace of ink offset from overprinting; no evidence of hinging under UV in margins, NEVER HINGED. A key, sought-after sheet, VF NH (Michel Block 2 € 7,000) **5,600.00**

- 190 ★ **GERMANY B68, 1935 3pf-25pf OSTROPA** Full-size souvenir sheet of four without gum, with bright colours, choice, VF (Michel Block 3 € 1,100) **875.00**

- 191       **GERMANY Clean and Attractive Lot of Postmarks on 1872-1874 Imperial Eagle Issues** An extensive stock on selection cards in three 3-ring binders, priced and ready for resale; Small and Large Shield Eagle issues, most values represented with the real focus and appeal being the numerous postmarks, including circular, boxed and horseshoe type datestamps, noting as well some early January 1872 dates, some plate flaw varieties - minor to quite clear, pairs or strips of three, complete strikes tying stamps to piece, etc. Duplication of actual stamps shown on the ½gr to 2gr Large Shield, but appears to be all different postmarks. Includes some mint issues and the 1874 Surcharged Eagle and selection of 1875-1890 "Numeral" issues. Stamp flaws to be expected on these fragile stamps, but overall quality of the postal strikes and stamps is well-above average, at a quick glance a very attractive lot for someone who specialized. Well worth a closer look to better appreciate the wide selection of postmarks. (Total retail value \$29,418) **Est. 1,500.00+**

- 192       **GREAT BRITAIN 1, 1840 1p Black, Plate 1a [DG]** Choice used single with large margins, rich colour on pristine paper, clear Maltese Cross in red, VF (SG 2 £375) **320.00**

# THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

## BIDDING

1. All bids are per lot, as numbered in the catalogue. Eastern Auctions Ltd. reserves the right to withdraw any lot prior to sale, to divide a lot or to group two or more.
2. The highest bidder shall prevail at one advance over the next highest bid. Should a dispute arise between bidders, the decision of the auctioneer as to the successful bidder or the re-offering or resale of the lot in dispute shall rest entirely in the judgment of the auctioneer. **On all lots sold a commission of 15% on the hammer price will be payable by the buyer.** The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

## PAYMENT FOR PURCHASES

3. **U.S. funds are acceptable only at the equivalent amount shown on the invoice.** Visa, MasterCard and Paypal are accepted at a charge equal to 3.5% of the hammer amount. Please include the information on your bid sheet.
4. Payment for lots, including those on which opinions are desired under Condition of Sale 8, shall be made as follows:

A successful mail bidder will be notified of lots purchased and must remit before the lots are sent. A person known to us, or who furnishes satisfactory references, may at our option have purchases forwarded for immediate payment. Delivery will be to the address on the bid sheet. Proof by receipt of sending at the advised address shall constitute delivery. Postage and insurance are payable by the buyer.
5. Title shall not pass to the buyer until Eastern Auctions Ltd has received full payment.
6. Buyers agree to pay for lots as specified above and no credit is extended, a late payment charge of 2% per month is added to overdue payments, minimum \$5.00.

## QUALITY AND AUTHENTICITY

7. Each lot is sold as genuine and correctly described based on individual description as modified by any specific notations in this catalogue including (but not restricted to) “Key to Cataloguing”.
  - (a) **QUALITY.** Any lot, description of which is incorrect, is returnable within forty-five days from closing date of auction. If the opinion of a mutually acceptable authority is desired, this period will be extended as noted in Condition 8. All disputed lots must be returned intact in the condition received. Photographed lots are not returnable on account of centering or perforations. Lots containing more than twenty stamps, described “as is”, or described as having faults are not returnable for any reason. Bidders who have had an opportunity to examine the lots prior to the sale may not return the lots.
  - (b) **AUTHENTICITY.** Any lot, which is declared other than genuine by a mutually acceptable authority is returnable, provided the lot is received within a period of four weeks from the date of the auction. Proof that a “mutually acceptable authority” declines to express an opinion is not normally grounds for the return of a lot.
  - (c) Returns must be made by registered mail.
  - (d) Lots marked or encapsulated by an expert committee are not returnable for any reason.
  - (e) Lots accompanied by an existing certificate are not returnable.

## EXTENSION OF TIME

8. When an opinion from an acceptable authority is necessary, the buyer shall:
  - (f) Submit the lot without delay to either; (1) the Vincent Graves Greene Foundation or Sergio Sismondo for Canada and British North America; (2) Sergio Sismondo, British Philatelic Association or the Royal Philatelic Society of London for British Commonwealth; (3) Sergio Sismondo for Foreign and (4) PF (Philatelic Foundation) for United States.
  - (g) Ensure that advice in writing to this effect be received before the auction.
  - (h) Remit in full for the lot. The buyer shall be reimbursed in full for any lot declared other than genuine.

## EXPENSES OF CERTIFICATION

9. Expenses shall be borne by the buyer except where the lot is other than as described and is returned within the conditions set forth above. Our responsibility is expressly limited to:
- (a) The actual cost of the opinion if up to \$30.00 or less, or
  - (b) The cost of the opinion up to 5% of the sale price but not exceeding a maximum of \$100.00.
  - (c) We are not responsible for expenses on the return of any lot.

## SALES TAXES

10. Canadian residents will be charged GST or HST as appropriate for their mailing address. Foreign residents are liable for GST only on the buyer's premium.

## KEY TO CATALOGUING

### SYMBOLS & MAJOR ABBREVIATIONS

★	Mint	⊙	Used	E	Essay
☒	Cover	(/)	Incomplete Set	F	Forgery
(-)	Complete Set	R	Reprint	P	Proof
◆	Graded Stamp	CDS	Circular Date Stamp	L	Literature

## CONDITION

The various grading of stamps are in order; **Extremely Fine; Very Fine; Fine and Very Good.** In the case of sets, large blocks, sheets, etc., the condition quoted represents the average and quality above and below this standard can be expected. Minor perf separation can be expected on larger multiples.

**Mixed condition:** in large lots, a range of condition can be expected, from small faults to Very Fine.

## GUM

NH	Never Hinged – with full original gum in Post Office state and unmounted.
LH	Lightly Hinged – with full original gum showing some evidence of a previous hinge.
OG	Original gum – showing some evidence of a previous hinge, a portion of which may still be present.
Part OG	Part original gum.
Unused	Unused without original gum, or regummed.
Ungummed	Without gum as issued.

## A NOTE ON HINGING

Bidders are reminded that, in accordance with industry standards, hinging is not described with respect to used stamps or stamps and proofs that were printed without gum. Hinging on these items is irrelevant to their condition and value. If hinging is important to you in such cases please contact us before bidding and request further information. **We will not accept the return of used stamps or ungummed items due to hinging.**

Hinging on mint stamps is always disclosed, however, never hinged status should not be expected unless specifically stated “never hinged” or “NH”.

## ESTIMATED VALUES

If an estimated cash value is given, it is shown in the description and always indicated by the abbreviation “Est.”. It is used where the lot is large or where the actual value has little relation to the catalogue price. **It represents the auctioneer's appraisal of the true CASH value of a lot and the figure is invariably close to the actual realization.** It is useless for mail bidders to list any bids that are only a low proportion of such estimates.
